Some students bring hobbies: fire-arms, bows, fishing poles, saddlery, horse, camping gear, books for leisure reading, crafts (crochet, knitting, etc.), CHRISTIAN or instrumental music (no secular), instruments, puppets, Frisbees, etc. No pets, please. Fishing and hunting licenses are available from local authorities (out of state prices will be higher)

We (the staff) make regular trips into Billings (Wal-Mart, Barnes & Noble, Movie theatre, Costco, etc.) and would be pleased to have you come along, or add items to our list for you. Of course, students with vehicles may also make the trip to town; so, review the list and decide what you have on-hand to bring, and what you can purchase after you arrive.

\*\*\*Spending money!!!! We have espresso and other items in the campus store (snacks, apparel, & souvenirs). You will also need \$\$ for postage and laundry.
